LINKEDIN - <https://www.linkedin.com/in/rakesh-chinnappa-b69927149/>

Seeking a career in a progressive company and to effectively utilize the knowledge gained in my academic curriculum, my current workplace & and from life to attain a responsible, challenging, and rewarding position.

Experience – Engineer, Tata Elxsi, Bengaluru (29 June2022 - 30 September 2025)

Education – Master's in Computer Applications

Expertise – C programming, C++, Linux programming

WORK EXPERIENCE

Present Job Role Achievements and Learning

September 2022 - September 2025

DevTester – Vodafone Portugal GPON Project

Tata Elxsi

- Contributed to the development and testing of GPON cables for WiFi routers as part of the Vodafone Portugal project.
- Performed end-to-end testing of Vodafone's WiFi routers, including WiFi functionality, voice features, WPS configuration, and overall system sanity checks.
- Executed unit testing on release builds to ensure stability and performance compliance.
- Collaborated closely with development teams to troubleshoot and resolve issues, ensuring high-quality product delivery.

Experience with OpenWRT

- Proficient in configuring and managing OpenWRT-based routers and networking devices.
- Skilled in customizing firmware to meet specific project requirements.
- Experienced in troubleshooting and resolving issues related to OpenWRT installations.
- Familiar with integrating additional functionality through packages and extensions.
- Capable of optimizing network performance and security using OpenWRT features and settings.

Experience with prplWRT

- Proficient in utilizing prplWRT, an open-source Linux-based platform optimized for embedded systems.
- Skilled in configuring and deploying prplWRT firmware on various networking devices.
- Experienced in leveraging prplWRT's features for enhanced network performance, security, and customization.

Experience with Qualcomm SDX75 Board

- Proficient in working with the Qualcomm SDX75 development board for embedded systems.
- Experienced in burning meta, and flashing images.
- Hands-on experience in using tools such as Pcat, Alpaca.
- Skilled in configuring and programming the board for various applications and projects.
- Experienced in troubleshooting hardware and software issues related to the Qualcomm SDX75 board.

Experience with Raspberry Pi Board for OpenWRT

- Proficient in setting up and configuring OpenWRT on Raspberry Pi boards for various networking and IoT applications.
- Skilled in optimizing OpenWRT firmware for Raspberry Pi hardware to achieve optimal performance and functionality.
- Experienced in deploying and managing OpenWRT-based projects on Raspberry Pi platforms.
- Capable of integrating additional hardware modules and sensors with Raspberry Pi boards running OpenWRT to expand their capabilities.

Technical qualification

- C Programming: Proficient in C programming language, with the ability to develop efficient and robust software solutions. Experience in data structures, algorithms, and memory management.
- C++ Programming: Experience in C++ programming language, including object-oriented programming concepts, inheritance, polymorphism.
- Linux: Experience working with Linux operating systems, including system administration, shell scripting, and command-line tools. Familiarity with Linux kernel internals and device drivers.

Career Break | October/2025– December/2025

- Took a short planned break due to a family health emergency (mother’s medical care)
- Situation is fully resolved; available for full-time work

EDUCATION

Reva University	Bengaluru, India
Masters of Computer Applications - 7.9 CGPA	November 2022
St. Annes degree college	Kodagu, India
Bachelor of Computer Applications - 80.3%	November 2020

LANGUAGES

- English: Fluent in both spoken and written communication.
- Hindi: Proficient in speaking, reading, and writing.
- Coorgi: Proficient in speaking, reading, and writing.(Mother tongue)
- Kannada: Proficient in speaking, reading, and writing.
- Tamil: Proficient in speaking.
- Malayalam: Proficient in speaking.
- Tulu: Proficient in speaking.

CERTIFICATION

- Microsoft Database Fundamentals
